Please Label ALL
of Your
Child's Summer
Program Items.

Sunscreen Provided by SRMS

SPF 50 Natural Sunscreen with Zinc Oxide & Titanium Dioxide is a chemical-free sunscreen that provides 80 minutes water resistant for broad spectrum protection. This long-lasting mineral based sunscreen features an SPF 50 broad spectrum protection from damaging UVA and UVB rays. SPF 50 Natural Sunscreen is enriched with clinically proven actives and powerful anti-oxidants that deliver anti-aging benefits. All SPFRX formula variations are: water and perspiration resistant for up to 80 minutes, designed for optimal skin tolerance and are safe and ideal for the entire family and all skin types. Zinc Oxide and Titanium Dioxide sunscreen are the most effective sunscreen ingredients that protect against UVA rays and do not penetrate into your skin.

Key Ingredients:

- **Zinc Oxide:** a non-toxic, coral reef safe Zinc Oxide is scientifically proven as the world's safest and most effective UVA and UVB physical sun screen barrier
- **Titanium Dioxide:** also non-toxic and coral reef friendly Titanium Dioxide is highly effective as an ultra violet radiation blocker
- **Aloe Barbadensis (Aloe Vera) Leaf Juice:** a highly effective moisture agent for sunscreens to help moisturize restore skin that has been exposed to the damaging effects of environmental elements including sun, wind, sand and salt water.
- **Shea Butter:** a rich, efficacious skin conditioner with moisturizing and healing properties including Vitamins A and E along with Cinnamic acid which is known as an effectual natural UV sun protector.
