Stone Soup

Tradition Time

Stone Soup is a fun tradition for both parents and students at SRMS. Each child brings an item to contribute to the soup, which is prepared by the students with help from parent volunteers. Stone Soup is a European folk story in which hungry strangers convince the people of a town to each share a small amount of their food in order to make a meal that everyone enjoys, and exists as a moral regarding the value of sharing. There are many different versions of the folktale, and we read a variety of them with our students.
